

Tutoring Programs at SJSH

At Scholars' Hall/St. Jude's Private School, we are much more than a day school. Many of our students are based in publicly-funded schools who attend SJSH during the evenings and weekends to help them catch up, keep up, and stay focused on their studies.

Since 1980, St. Jude's and Scholars' Hall have helped thousands of children reach their full potential and gain confidence in their academics. Specializing in Learning Disabilities, St. Jude's and Scholars' Hall have been the leading private school in the Kitchener-Waterloo area assisting those children who need differentiated instruction and one on one learning. **SJSH is a small school that makes a BIG difference!**
